Paul Kimmerling, a life-long New Yorker, believes in the innate potential of each person and in the ordinary beauty of daily life. Through his corporate and individual work, he helps people discover, build and leverage their strengths. Paul acts as a guide to others on the spiritual path through individual mentoring, group workshops and retreats. As a photographer, Paul finds the world endlessly fascinating and facilitates workshops to help photographers see with fresh eyes.

Photography

Paul is a self-taught photographer who has been practicing his craft for decades. His work took on new life in 2013 during a particularly difficult transition. Challenging himself to look beyond his usual habits of seeing, he found new ways to express his creativity. He helps others do the same through his workshops, most recently “Through Beginner’s Eyes” (2019, Assisi, Italy). <https://www.journeystoassisi.com> and “Loving the World: Photography as Spiritual Practice” (2013-2017, in various NY Metro locations) https://www.facebook.com/search/top/?q=loving%20the%20world%3A%20photography%20as%20spiritual%20practice&epa=SEARCH_BOX

Consulting and Coaching
