PL@Y

Paul co-created PL@Y with Tim Carlson. PL@Y is a collaborative discovery and capacity-building program that leverages neuroscience, business research, play theory and creative thinking techniques to get organizations unstuck and boost their innovation capacity. <http://www.thinkcube.biz/compositions/>

- November 2019 - PL@Y was featured at the “Lead Change” Conference, Burlington, MA, to generate innovative ideas to address challenges around leading organizational change efforts
<https://www.changemanagementevents.com>
- December 2017 - PL@Y was featured at the CEO Think Tank as a tool to spur innovative thinking at the executive level <http://www.CEOThinkTank.com>

Retreats: Journeys to Assisi

Paul created “Journeys to Assisi” to provide immersion retreats in Assisi, Italy <https://www.journeystoassisi.com>. The original retreat offering, “Live the Questions: A Journey with Francis and Clare”, allows participants to contemplate their spiritual paths while learning about the lives and writings of Sts Francis and Clare. It was conducted in Assisi, Italy:

- September 2018
- June 2016
- September 2015

Paul Kimmerling

- September 2014
- May 2013
